Dear Sir:

In response to the Office Action mailed June 22, 2000, please amend the above-referenced application as follows:

IN THE DRAWINGS

Attached is amended Figure 2. A marked-up copy in red is also attached indicating the amendments to Figure 2.

COPY

IN THE ABSTRACT

Please replace the abstract currently on file with the following:

"A portable camera with integral printer device, the camera including a digital image capture device for the capturing of digital images; an integral programming language interpreter connected to the digital image capture device for the manipulation of the digital image; and a script input device for inputting a self documenting program script for the manipulation of the digital image to produce visible alterations thereof. The script input device comprises a card reader for optically reading a script carried on a surface of a portable card. The script is interpreted and executed by the interpreter so as to modify the digital image in accordance with the script and so as to provide a printout of a modified image on the integral printer."

IN THE SPECIFICATION

We enclose a substitute clean specification. The substitute specification has no new matter added. We also enclose marked-up copies of amended pages of the substitute specification. The details of the amendments as they appear on the marked-up copies are listed below.

Page 1, lines 6 to 8, replace "The following co-pendingincorporated by cross-reference." with

—The following Australian provisional patent applications are hereby incorporated by cross-reference. For the purposes of location and identification, US patent applications, identified by their US patent application serial numbers (USSN) are listed alongside the Australian applications from which the US patent applications claim the right of priority.—

The list following the above paragraph has been reformatted into a table, reinserting the Australian Provisional Patent Application numbers that appeared in the application.

as originally filed. The changes to the headings in the tables as originally filed are as followings:

- first column - "Cross-Referenced" added to heading;
- second column - new column added entitled "US Patent /Patent Application (Claiming Right of Priority from Australian Provisional Application)";
- third column - the column entitled "Title", replace with "Docket No."

Page 280, lines 25 and 26, delete "The present inventionby cross reference"—;

Pages 282 to 309, in the last column "Examples", the Attorney Docket numbers replace the USSN numbers.

IN THE CLAIMS

Please amend the claims as follows:-

Please amend the claims as follows:

1. (Twice amended) A portable camera with integral printer device, said camera including:
 - (a) a digital image capture device for the capturing of digital images;
 - (b) an integral programming language interpreter means connected to said digital image capture device for the manipulation of said digital image;
 - (c) a script input means for inputting a self documenting program script for the manipulation of said digital image to produce visual alterations thereof, said script input means comprising a card reader for optically reading a script carried on a surface of a portable card;wherein said script is interpreted and executed by said interpreter means so as to modify said digital image in accordance with said script and so as to provide a printout of a modified image on said integral printer.

2. Please delete claim 2 without prejudice.
